### ***Incident: Emergency Health Advisory #11***

This is a civil defense message.

This is a health advisory update for Wednesday morning, April 16, at 10:00.

This a health Update advisory for Hawaiian Ocean View Estates in the Ka'u District.

The Hawai'i County Fire Department which has been monitoring sulfur dioxide readings reports that sulfur dioxide levels have dropped to safe levels in all areas of Hawaiian Ocean View Estates. Latest readings by the Hawai'i County Fire Department shows that sulfur dioxide levels are at the Color Code Yellow level. Color Code YELLOW indicates a light level of sulfur dioxide.

Again, sulfur dioxide levels in Hawaiian Ocean View Estates in the Ka'u District have decreased and are currently at Color Code YELLOW, the voluntary evacuation advisory issued this morning has been cancelled.

The SO<sub>2</sub> levels are constantly monitored and if there are any changes you will be informed.

All residents are asked to continue being prepared.

For your added information all other areas of Ka'u are in the YELLOW Color Code status at this time, which indicates only a light level of SO<sub>2</sub>. All other districts are in Color Code Green.

Thank you for listening and please be safe.
