Aloha Neighbor:

March 2009

Welcome to Volcano! As a new property owner in the area we wanted to take this opportunity to introduce you to the Volcano Community Association (VCA) and one of our special projects, educating people about building in the forest. Enclosed you will find a copy of our new **"Building In The Forest"** brochure. We hope this, along with the insert of names and phone numbers for contractors, landscapers, etc. will be of help to you in developing your property.

The VCA was founded in 1980 as an all-volunteer organization. For 29 years, the organization has worked *"...to improve and protect the quality of life in Volcano..."* Whatever community-wide concern arises, the VCA is there to assist and serves the following areas: Volcano Golf Course, Volcano Village, Cymbidium, Mauna Loa, Oh'ia Estates, Royal Hawaiian & Orchid Island Estates, down to Fern Forest. Residents, land owners, and supporters alike are represented by the Association. Please see our website at www.volcanocommunity.org for more information about the VCA, member benefits, community events, Vog Updates & over 70 additional Volcano Community Resources.

If you should choose to join VCA you can complete the form attached and return with a check to the address below. Members receive discounts at a number of local businesses which are updated regularly on our website. Your membership will also support the projects listed below. We encourage you to check off areas of interest to you.

Mahalo,

Jeffrey Mermel, President, & the VCA Board: Hank Banquer, Bob Belcher, Pat Halpern, Mililani Hughes, Dan Taylor, Nona Wilson, Leslie Laird & David Wallerstein
